Different Types of Child Care Programs

Child Care Programs can be licensed, license-exempt, or exempt. Licensed programs can be in an individual's home, in a group care setting, or in a child care center. Read about each one here!

LICENSED CHILD CARE CENTER

More than 20 children cared for at a separate facility; often grouped into classrooms by age

LICENSED GROUP CHILD CARE

11-20 children cared for at a separate facility OR an area separate from the educator's living quarters

LICENSED FAMILY CHILD CARE HOME

Up to 10 children cared for in the child care educator's own home

LICENSE-EXEMPT

- Programs run by a religious organization
- Preschool programs that operate no more than 4 hours per day

EXEMPT

- 6 or fewer children cared for in the child care educator's own home
- Summer camps
- Programs operated by a school system

Licensed Programs:

- ◇ Have regular fire, sanitation, and health inspections.
- ◇ Require licensing inspection.
- ◇ Must follow Missouri's child care licensing rules, such as ratios, group size, and staff training. Full licensing regulations can be found here: <https://dese.mo.gov/childhood/child-care/rules-laws>

License-Exempt Programs:

- ◇ Have routine fire, sanitation, and health inspections. Those regulations can be found here: <https://dese.mo.gov/childhood/child-care/rules-laws>
- ◇ Do not have licensing inspections.
- ◇ Are not required to follow licensing rules, such as ratio, group size, and staff training.

Exempt Programs:

- ◇ Do not have fire, sanitation, or health inspections.
- ◇ Do not have licensing inspections.
- ◇ Are not typically included in our database.
- ◇ May list with us if they meet Child Care Aware® of Missouri's listing standards, such as a health and safety self-certification, agreement to use safe sleep practices, and a Family Care Safety Registry background check.

Child care licensing reports are provided with all Child Care Aware® of Missouri referrals and can also be checked at webapp01.dhss.mo.gov/childcaresearch/searchengine.aspx.
